

- HV 60/125 SG-2** MIK boiler manifold (840 001)
- HW 60/125-1"** MIK hydraulic separator with screw couplings (850 012)
- HK 25-2** Pump unit/Heating circuit module (870 002)
- HK 25-3** Pump unit/Heating circuit module (870 003)
- SG/I 50** MIK Boiler safety unit (860 050)
- L-HV 100-150** MIK Wall brackets (840 009)

Bracket L-HV 100-150 (840009) is replaced with new Bracket LU-HV 100-150 (840012)

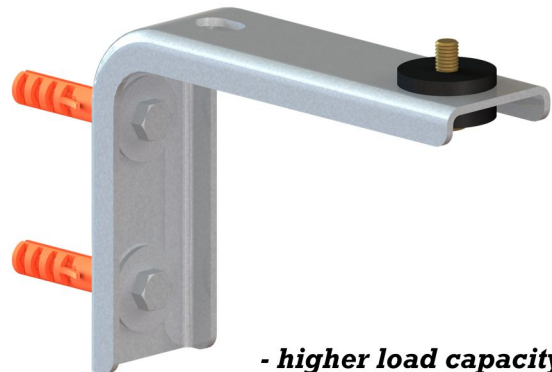

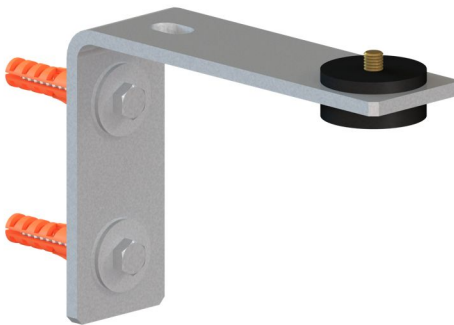

Detail A:

Old Bracket **L-HV 100-150**

Code: **840009**

New Bracket **LU-HV 100-150**

Code: **840012**

- **higher load capacity,**
- **new damping element,**
- **new design,**
- **the price does not change,**
- **available from 01.05.2021.**

MIK Wall Brackets LU-HV 100-150

- 100 or 150 mm distance from manifold centre to wall
- Galvanized (HRN EN ISO 2081) and chromated (DIN 50962)
- The kit includes screws, dowels, washers and damping elements
- Pack contents 2 pcs.
- Code: **840 012**
